

## Game Changes/Card/Contacts

**Read me FIRST:** You must have login privileges from your club.  
If you do not have these privileges, contact your club administrator.

- Login to the YSSL system
- Find the team and click on 'Display'
- Click on the 'Games' button

### Contacts:

- Scroll to the bottom of the page to see the contacts for the opposing teams.
- Contacts are not listed for your team when you are looking at your team page.
- Contacts are not listed for teams that have not completed their registration (i.e. no passes for the team, no coach listed for the team, etc.).

### Game Changes:

The game change form is submitted to the League, it is not the method of communication with the opposing team to request a game change.

- All game changes must be submitted on the Game Change form located on the Team Page.
- Each team is allowed to initiate two free unilateral schedule changes per season.
- Changes caused by State Cup participation or if 3 or more players will be attending an OPD scheduled event will not be included in the two game change limit.)
- If more than two changes are necessary for a team, the cost per change is \$50 each.
- The game change must be received by the YSSL seven (7) days prior to the originally scheduled game date or the revised game date (whichever is earlier).
- The game change form must include all revised information.
- An acknowledgement email will be automatically sent to the Club Administrator on record when the game change is posted to the web site.
- All game changes must be submitted to the League by the 7<sup>th</sup> week of play. The date will be posted on the [www.yssl.org](http://www.yssl.org) website, click on Important Dates in the left nav bar.
- All rescheduled games must be played by the last date of the season.
- Unauthorized game changes will be treated as a forfeit plus a \$100 fine for both teams.

### Game Card:

- Be sure to print your game card during the week before the scheduled game.
- Do not print all of your game cards for the season as the game or player information may change.
- This feature will be available after 9/1/08
